2Shakes Referral Program

Kia ora ,

Here at 2Shakes we really value your support! We are here to help, and we really appreciate that so many of you support us right back.

That's why we have created our 2Shakes Referral Program.

Do you know someone that is spending too much time on paperwork, government forms, admin and compliance? Are they spending too much time with AML Due Diligence? Is onboarding customers slowing them down?

Any 2Shakes customer on a paid plan can now help them through our Referral Program, and help yourself at the same time.

Because when you refer someone to 2Shakes, we'll give **you** the first \$100 they spend with us as a thank you.
